BIBLICAL EVANGELISM

Overcoming the Laodicean Mindset- Rev. 3:14-22

I. The prevailing issue of our age of Christianity is _____ _____; and NONE of us are exempt (vs. 17)
   a. 2 Tim. 3:13; 1 Tim. 4:1; 2 Pet. 3:3-4; Matt. 24:3-5)

II. Because of this we must constantly evaluate ourselves honestly
   a. The self-evaluation we must do revolves around our works; NOT OUR WORDS (vs. 15, 17)
   b. The works we will be judged on are simple: evangelism and discipleship

III. The Laodicean Mindset
   a. Balance/Palatable Christianity (neither cold nor hot)- vs. 15
   b. We have all we need and we are doing well (rich, have many goods, don't need anything)- vs. 15

IV. God's Mindset
   a. He wants _____- vs. 15, 19
   b. Palatable Christianity makes him want to PUKE- vs. 16
   c. We are wretched, miserable, poor, blind, and naked- vs. 17
   d. He still loves us and wants us to repent. Repentance for us, is to be zealous- vs. 19

V. How this looks for us
   a. No more middle of the road Christianity. It is _____
      i. The Devil has convinced us that a "palatable" Christianity is good and God will be happy with it when in reality God says….. (1 Cor. 9:16; Mark 16:15)
   b. Be ZEALOUS for God
      i. When you think of a zealot, you think of an extremist (like Simon zealotous in the bible, he was a zealot which was a terrorist during that day who hated Rome)
      ii. We are too afraid of this kind of Christian life too often. This is the kind of Christianity that Jesus, Paul, John, Peter, the disciples, and all early Christians were known for and KILLED for. They stood out! They went against the world as Christ told them to and as we are commanded to! (James 4:4; Jn. 15:19)
   c. Quit deceiving yourself

i. To not be zealous for God and to simply blend in (even though you go to church, read your bible, memorize verses, are a good student, good athlete, don't have crazy sin in your life, etc..) IS SIN!
    1. You can argue it is worse than other sins in many ways, it is a sin that DAMNS PEOPLE TO HELL EVERY DAY
ii. It is time to evaluate your _____ for God and your ZEAL for God honestly
    1. NOT:
        a. "I am doing well not sinning"
        b. "I read my Bible"
        c. "I don't party or cuss"
        d. "I have a good testimony because I get good grades/do well in sports"
    2. BUT:
        a. "In what ways am I HATED like Jesus and the disciples were?" (2 Tim. 3:12; Jn. 15:19)
        b. "What people have I led to Christ/discipled recently?"
        c. "How many people have I shared the gospel with this month?" (Mk. 16:15; 1 Cor. 9:16)
        d. "Would the people at my school call me a zealot for God" (Rev. 3:19)

d. Biblical Evangelism
    i. This class will help you to take the first steps toward overcoming Laodicea
    ii. Truly sharing the Gospel will make you stand out from 90% of Laodicean Christians in the world today. It is the first ministry we are given and is 100% necessary, it is required, it is a command, and not to do it is as much a sin if not MORE SO than any other sin

BIBLICAL EVANGELISM

Overcoming the Laodicean Mindset- Rev. 3:14-22

I. The prevailing issue of our age of Christianity is **self deception**; and NONE of us are exempt (vs. 17)
   a. The world we live in, major events surrounding us, pressure from peers, politics, culture, what we have been taught from a young age, etc. all give us this bend toward Laodicean Christianity
   b. As we saw in church history in our Revelation study, the Devil found the most success through his subtilty (same way he got Adam and Eve to sin according to 2 Cor. 11:3). This attack plan comes to full fruition in this last age of the Christianity, Laodicea. A time marked by the most deception this world has ever seen (2 Tim. 3:13; 1 Tim. 4:1; 2 Pet. 3:3-4; Matt. 24:3-5)

II. Because of this we must constantly evaluate ourselves honestly
   a. The self-evaluation we must do revolves around our works; NOT OUR WORDS (vs. 15, 17)
   b. The works we will be judged on are simple: evangelism and discipleship
      i. All ministry, the work of the Lord that we are called to, revolves around these two things. Whether it is sharing the gospel, teaching the Bible, counseling someone, preaching a sermon, praying for someone, comforting someone, exhorting a brother or sister, etc.. All fall under this umbrella

III. The Laodicean Mindset
   a. Balance/Palatable Christianity (neither cold nor hot)- vs. 15
   b. We have all we need and we are doing well (rich, have many goods, don't need anything)- vs. 15

IV. God's Mindset
   a. He wants **ZEALOTS**- vs. 15, 19
   b. Palatable Christianity makes him want to PUKE- vs. 16
   c. We are wretched, miserable, poor, blind, and naked- vs. 17
   d. He still loves us and wants us to repent. Repentance for us, is to be zealous- vs. 19

V. How this looks for us
   a. No more middle of the road Christianity. It is **UNBIBLICAL**
      i. God never tells us to be good Christians, not cuss, smoke, drink, party, have sex, get good grades, be good at sports, be great musicians, etc.. Just for the sake of it. That is the Laodicean mindset. The Devil will gladly allow a bunch of "do-gooders" because they will

NEVER reach the world for God and they will never see the power of God in their lives. That is why Laodicea is such a failure.

ii. The Devil has convinced us that a "palatable" Christianity is good and God will be happy with it when in reality God says..... (1 Cor. 9:16; Mark 16:15)

b. Be ZEALOUS for God
   i. When you think of a zealot, you think of an extremist (like Simon zealotous in the bible, he was a zealot which was a terrorist during that day who hated Rome)
   ii. We are too afraid of this kind of Christian life too often. BIBLICAL EVANGELISM

THE BIBLICAL PATTERNS FOR EVANGELISM

1. 1 Thessalonians 2:1-13
    a. Evangelism will be accompanied by persecution (vs. 1-2)- Acts 17:1-9; 2 Tim. 3:12
    b. Evangelism is _____ about your ability to speak, comprehend, remember information, convince, etc.... (vs. 3,5)- 2 Cor. 4:2
    c. Evangelism is about _____ God, not men (vs. 4)
        i. This means you will have to speak the truth in love, but the whole truth nonetheless
        ii. You will have to talk about sin, hell, judgment, and plainly tell people they are wrong and heading down a bad path at times
    d. Evangelism must be done:
        i. Gently, as though you are speaking to your own children (vs. 7,11)
        ii. With true charity and desire for their souls (vs. 8)- 1 Cor. 13:1-3
        iii. With a good testimony and countenance. It is NOT just about speaking words (vs. 8,10)
        iv. With labor and work. It is hard work to do it well and not just give a presentation and move on (vs. 9)
            1. Paul did not want their blood on his hands and so he felt he had to do it FULLY and to the very best of his ability. Not a half done job but truly give it all he had (vs. 9)
    e. Only then can the gospel be received as the “word of God” and not the “words of men”
        i. If you find you share the gospel with people and you never see any fruit from it, you feel no power in the message, or there is never anyone you have respond to it; you are likely missing some key parts of this pattern and therefore you are missing the POWER of the gospel as the “word of God” and are just making it your own words
2. Corporate Evangelism
    a. “_____ ____ _____” evangelism- Mk. 6:7-13; Lk. 9:1-6
        i. Jesus sent the disciples out 2 by 2 into the cities to preach the gospel
        ii. They were not to simply just wait for open doors, only preach to friends, acquaintances, neighbors, etc...
        iii. THE BIBLICAL PATTERN FOR EVANGELISM all over the NT is to “GO” and preach the gospel to everyone. Going into the cities, preaching the gospel, places you have never been, places with strangers

iv. It can be scary and hard BUT IT IS NECESSARY. It is our biblical example
v. You will have to talk about sin, hell, judgment, and plainly tell people they are wrong and heading down a bad path at times
vi. Jesus equates it with “fishing”. We need to be active in “going out” and preaching the gospel to all people (Matt. 4:19; Mk 1:17)

3. Keys from The Parable of the Sower- Matt. 13:1-9
   a. Key 1- Sow a lot of _____

   _____
   _____
   _____
   _____
   _____

   b. Key 2- Understand your role

   _____
   _____
   _____

   c. Key 3- Expect to see the results Christ tells us we will see

        ii. You will have to talk about sin, hell, judgment, and plainly tell people they are wrong and heading down a bad path at times
    d. Evangelism must be done:
        i. Gently, as though you are speaking to your own children (vs. 7,11)
        ii. With true charity and desire for their souls (vs. 8)- 1 Cor. 13:1-3

2. Corporate Evangelism
    a. "**Two by Two**" evangelism- Mk. 6:7-13; Lk. 9:1-6
        i. Jesus sent the disciples out 2 by 2 into the cities to preach the gospel
        ii. They were not to simply just wait for open doors, only preach to friends, acquaintances, neighbors, etc...

3. Keys from The Parable of the Sower- Matt. 13:1-9

a. Key 1- Sow a lot of **seed**
    i. We have no control over what does or does not grow, we just need to SOW
    ii. Play the odds, the more you sow, the more will grow!
b. Key 2- Understand your role
    i. We are not called to make the seed grow, IN REAL LIFE AND EVANGELISM SPIRITUALLY, ONLY GOD CAN DO THAT
    ii. We are however called to try and prepare the soil, sow as much seed as possible, follow up (sow again, maybe find better ground), and pray for God to give the increase
c. Key 3- Expect to see the results Christ tells us we will see
    i. Don't be surprised when we sow and things come up in peoples lives and they forget what we told them (the birds/devils). The enemy will do this, God warns us
    ii. Don't be surprised when people get saved (spring up) and never bare fruit that shows it (stony ground and thorns). This is the majority situation God tells us will happen. The cares of the world and sin will keep some from growing and also trials and troubles will keep others. Expect it!
    iii. Don't underestimate what God can do will ONE SEED
    iv. We see one seed can become 30 fold, sixty fold, or 100 fold
        1. You never know what all God can do with the seed you sow, it can become more than you ever imagined!

BIBLICAL EVANGELISM

SHARING THE GOSPEL WITH THE ASK METHOD

I. Our conversations are exactly that. Conversations; not presentations. Each person you meet will have a different opinion, even if they share the same denomination. Use where they are at to best minister to them.

A. A- _____

1. Asking questions is good for provoking thought in people. Jesus often asked questions for this very reason. Realistically, Jesus never had to ask questions to learn more about people because he knew everything about them. Jesus asked questions so often because he was provoking thought into the hearts of the listeners. (**Matt. 16:13-16**; John 21:15-17; Matt. 21:24-27)
    a) Jesus was the question master! Asking questions can be our most effective tool when witnessing to the lost

B. S- _____

1. This cannot be overstated. This is our **number one goal** when we are out witnessing. All these things we will go over are great tools when time allows for them, but sharing the gospel must be done at all costs! God will take care of the rest if we are faithful to do this! (Rom. 1:16; Phil.1:14-18; Psalm 40:9-10; 71:15-16; 119:46; Rom. 10:17; 1 Cor. 2:4; 9:16; Jer. 20:7-9)
2. What is the gospel?
    a) The **good news**, not just the bad news
    b) 1 Cor. 15:3-4
        (1) Jesus died for our sins and rose from the dead 3 days later, **according to the scriptures.**
3. Ways to Give the Gospel
    a) Good Test
        (1) Go through the law (10 commandments) and show them the penalty of their sin and the price Jesus paid for it (Romans 3:23; 6:23; 10:9-10,13)
    b) Problem: Solution

(1) Problem- We are sinful, (Rom 3:23; Ecc. 7:20; Gal. 3:22; 1 John 1:8-10; Rom. 5:12; Rom. 6:23a) but God is Holy, which means he must judge sin righteously, and also he cannot be in the presence of sin (Habb. 1:13; Psalm 5:4-5; 11:4-7; 34:15-16; 1 Pet. 1:15-16)

(2) Solution- God became a man in the form of Jesus Christ, and lived a perfect and holy life. Jesus lived for about 33 years and allowed his creation to crucify him on a cross so he could take the punishment for sin for all men. (John 3:16-19; Rom. 6:23; 10:9-10, 13; Eph. 2:8-9)

c) Romans Road

(1) Romans 3:23 (We have all sinned but God is perfect)

(2) Romans 6:23 (the price for our sin is death- eternal death in hell seperated from God), BUT Jesus paid for this for you so you don't have to

(3) Romans 10:9,13 (The way to receive Jesus gift of salvation and the price he paid for your sin is to believe and pray to God to receive this gift)

d) ***Testimony**

(1) You can give your personal testimony in any gospel conversation and often times it could be very helpful. Your testimony is a good tool, but remember the POWER is in the word of God/the Gospel. Giving your testimony will always need to include the word of God and a clear gospel from the Bible

C. K-_____

1. At this point we are looking for any opportunity to follow up with the person we are talking to. Whether this includes asking for their phone number and if they would like to meet sometime to continue this conversation, or inviting them to church possibly and giving them the church's information. (Matt.13:4,19)
2. This point is too often missed even by faithful evangelists. This is very important to do!
3. What is our most important ministry as Christians?
    a) (DISCIPLESHIP) This point is where discipleship meets evangelism. The most fruit we have isn't going to be from leading hundreds to Christ, but from faithfulness to grow, reach out to, and disciple those who do come to Christ. (Matt. 13:8- "some an hundredfold, some sixtyfold, some thirtyfold") This is how we can help make sure we are sowing seeds to the good ground and produce multiplied fruit!

I. Our conversations are exactly that. Conversations; not presentations. Each person you meet will have a different opinion, even if they share the same denomination. Use where they are at to best minister to them.

1. In order to most effectively minister to people, we should gather as much information about them as we can
2. Asking questions is good for provoking thought in people. Jesus often asked questions for this very reason. If you can tell they are ready to go, then ask if you can share what you wanted to when you asked them who Jesus is to them, and then hand them a tract. At the very least, try to leave them with a tract and ask them to read it and consider what it says. DO NOT BE AFRAID TO STEER CONVERSATIONS. People want to talk about these things and they will not think twice about sharing what they think with you, so do not be afraid to share with them.
