Gathering From The Garden

I. For the next 2 weeks we will be checking out the story of the fall of man in Genesis chapter three. Here in the very beginning of the Bible, we find many lessons that we can learn from to this very day. The devil works with the same basic _____ today that he did all the way back in the beginning, and similarly, we will see that God works very similarly to how he did back then today as well. We will see sin, death, sadness, shame, depression, and lust, but we will also see life, love, restoration, a relationship with God, peace, and purpose. We will see the eternal struggle between the devil and God in each of our lives and how the devil so desperately is trying to rob us of the fulfilling life that God has for us. We will learn to combat these attacks and have lives that are full in Christ.

II. **Genesis 3:1-10**

A. Knowing Your Enemy (2 Cor. 2:11) (verses 1-13)

1. The _____

a) He tries to convince you that you are missing out from more the world has to offer (vs. 1)

(1) His offers always result in death, chaos, and emptiness

(2) The world will not fulfill you (Hebrews 11:25)

b) He tries to convince you that there are no _____ to your decisions (vs. 2-4)

(1) He knew the result of sin for them would be death and he knows it will be for you as well! (Romans 6:23; James 1:15)

(2) He wants to turn your joy into sorrow (Job 41:22)

(3) He wants to destroy you and take you out of the battle (1 Pet. 5:8; John 8:44)

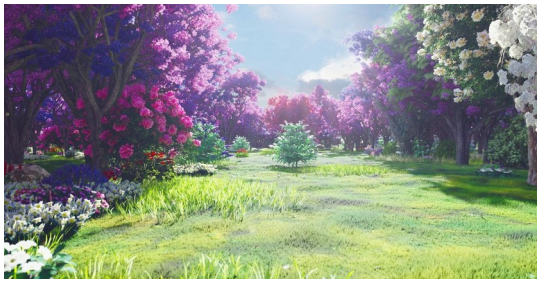

c) He tries to convince you that God is withholding from you (or that he has nothing to offer you) while he has something you want (vs. 5)

(1) The only thing they gain is the knowledge of evil. They already knew good. They were good.

d) He uses your 2 other main enemies against you to take you down (vs. 6)

(1) Your Flesh & The World (1 John 2:16)

III. We cannot be ignorant of the devices of the devil. He is our enemy, seeking to devour and destroy us. God is our ally, seeking only to protect us and give us the life he always intended for us to have; a life of purpose, peace, joy, and fulfillment in him. We all must be sober and vigilant to see that the devil is working to ruin all God wants for us and we must take action to prevent it. The Bible says in James 4:7 “Submit yourselves therefore to God. Resist the devil, and he will _____ from you.” After looking this week at “knowing your enemy”, we will next week be looking at “knowing God”, out of the same Genesis chapter three passage. We will look at the fulness of the life God desires for us to have in Christ and how to obtain it.

Gathering From The Garden

I. Last week we looked at our enemy and how he desires to destroy us in our lives (take our peace, purpose, joy, and fulfillment and turn it to sorrow, depression, and hopelessness). This week we will see conversely how God wants us to live lives that are full. This kind of life only comes through glorifying him, spending time with him, being conformed by him, and ultimately _____him. All of this we find all the way back in the garden with Adam and Eve in the beginning.

II. Knowing God (verses 8-10)

A. He made us to have this type of close and intimate _____ with him (vs 8a)

1. God made you to have a purpose (Jer. 29:11)
2. That purpose is to have a close relationship with him (Jer. 29:12-13)
3. That relationship will cause us to be changed and conformed into the image of Jesus Christ (Romans 9:29-29)
4. Being conformed into his image and being more like him each day will cause us to bear much fruit for him and bring him glory; this is our ultimate purpose; this will fulfill you unlike anything the world has to offer! (John 15:8) (1 Cor. 10:31)

B. Proof that they had that kind of intimate relationship with him is that they knew his _____ (vs. 8b)

1. Do you know the voice of God?
   a) You can even be faithful and serve God and not know his voice (1 Sam. 3:1-7)
   b) You cannot have a life of peace and joy without hearing from God consistently (Isa. 16:3; Psalm 119:105; Prov. 3:5-6)
   c) You may need the help of someone who is further along. They can help show you the ways of the Lord, how he works, and how to hear his voice (1 Sam. 3:8-10)

C. Shame from _____ can cause you to miss out on spending time with God. Deal with your sin and move forward (vs. 8-10)

1. Repent of sin and move forward (1 Jn. 1:9)
2. The only person who wants you to "hide from God" and not meet him in the garden is the devil

III. God has unfolded the whole plan and story of the Bible in order to restore things to how he originally intended them to be when he made man in his own image in Genesis. We can live lives today that have this kind of relationship with God that gives us peace, purpose, joy, and fulfillment. God is faithful to meet us each day if we are willing to meet him. We cannot let the enemy win and convince us that God wants anything less for us than lives that are 100% _____ in him!

II. **Genesis 3:1-10**

A. Knowing Your Enemy (2 Cor. 2:11) (verses 1-13)

1. The **Devil** (he is your main enemy)

a) He tries to convince you that you are missing out from more the world has to offer (vs. 1)

(1) His offers always result in death, chaos, and emptiness

(a) The things of the world are empty and vain. They give temporary pleasure, but no lasting joy.

(b) Think about it. When you devote your life to something the world offers and it makes you happy for a while and then at the end of it all you see it is actually empty; how devastating. This is why the famous and rich all drown themselves in drugs and alcohol even though by the world's standards they have everything you could want! This is no coincidence.

(2) The world will not fulfill you (Hebrews 11:25)

(a) The devil wants you to enjoy the things of the world and so when it all comes crashing down, you feel hopeless and want to end it all!

(b) Take the example of drugs; people fall in love with drugs and the high, but eventually they need more of it to feel something since their body becomes accustomed to it. They take more and more and more, until it is never enough or at the point of killing you. This is how the things of the world are. At the end, it will leave you feeling empty and depressed and hopeless.

b) He tries to convince you that there are no consequences to your decisions (vs. 2-4)

(1) He knew the result of sin for them would be death and he knows it will be for you as well! (Romans 6:23; James 1:15)

(a) Feeling dead inside, death of relationships, death of opportunities you could have had, death to those you weren't able to reach because you were in sin, sickness, and even literal death

(2) He wants to turn your joy into sorrow (Job 41:22)

(a) He wants you depressed, anxious, upset, angry, and confused. It brings him joy

(3) He wants to destroy you and take you out of the battle (1 Pet. 5:8; John 8:44)

(a) He is a murderer and he wants to devour you. Not to simply hurt you, but to completely destroy you and ultimately kill you!

c) He tries to convince you that God is withholding from you (or that he has nothing to offer you) while he has something you want (vs. 5)

(1) The only thing they gain is the knowledge of evil. They already knew good. They were good.

(a) The devil has nothing to offer you that is worth while. God is not withholding from you. It may seem that way at times, but what the devil is offering is to destroy you and not to help you. It is a trick that will result in only bad things.

(b) Good (God) and Evil (Devil). They knew God, and he convinced them that they were missing out on knowing him

d) He uses your 2 other main enemies against you to take you down (vs. 6)

(1) Your Flesh & The World (1 John 2:16)

(a) These enemies are powerful enemies that the devil uses to help bring you down. Beware of them! They are not fulfilling, they will not bring you the happiness you think they will. They are temporary.

III. We cannot be ignorant of the devices of the devil. He is our enemy, seeking to devour and destroy us. God is our ally, seeking only to protect us and give us the life he always intended for us to have; a life of purpose, peace, joy, and fulfillment in him. We all must be sober and vigilant to see that the devil is working to ruin all God wants for us and we must take action to prevent it. The Bible says in James 4:7 "Submit yourselves therefore to God. Resist the devil, and he will **flee** from you." After looking this week at knowing our enemy, we will next week be looking at knowing God out of the same Genesis chapter three passage. This kind of life only comes through glorifying him, spending time with him, being conformed by him, and ultimately **knowing** him. All of this we find all the way back in the garden with Adam and Eve in the beginning.

II. Knowing God (verses 8-10)

A. He made us to have this type of close and intimate walk with him (vs 8a)

a) He was walking in the garden to meet them as they were accustomed to him doing. He was looking for them to spend time with them.

2. God made you to have a purpose (Jer. 29:11)
3. That purpose is to have a close relationship with him (Jer. 29:12-13)
4. That relationship will cause us to be changed and conformed into the image of Jesus Christ (Romans 9:29-29)
5. Being conformed into his image and being more like him each day will cause us to bear much fruit for him and bring him glory; this is our ultimate purpose; this will fulfill you unlike anything the world has to offer! (John 15:8) (1 Cor. 10:31)

B. Proof that they had that kind of intimate relationship with him is that they knew his voice (vs. 8b)

1. Do you know the voice of God?
   a) You can even be faithful and serve God and not know his voice (1 Sam. 3:1-7)
      (1) He was serving the Lord and yet did not know him or his voice
   b) You cannot have a life of peace and joy without hearing from God consistently (Isa. 16:3; Psalm 119:105; Prov. 3:5-6)
      (1) When you are consistently spending time with God, you will have clarity which will bring you peace
   c) You may need the help of someone who is further along. They can help show you the ways of the Lord, how he works, and how to hear his voice (1 Sam. 3:8-10)
      (1) This is discipleship! Somebody showing you how to have a walk/relationship with the Lord; how to hear from him, talk with him,

learn from him, etc… Discipleship is to show you the way to know the Lord on your own!

C. Shame from sin can cause you to miss out on spending time with God. Deal with your sin and move forward (vs. 8-10)

1. Repent of sin and move forward (1 Jn. 1:9)
    a) God died and paid for your sin!! Stop staying away from him because of sin and cling to him. Repent and cling to him. That is what he desires.
2. The only person who wants you to "hide from God" and not meet him in the garden is the devil
    a) God shows up to meet us each and every day. Regardless of where you are in your life, he is there ready to meet you. He is calling out for you! (He was calling out to Adam and Eve to meet them even though they had just brought sin, death, suffering, sickness, etc.. into the world)
    b) Don't hide from God in your life because of shame! Meet with him! If we hide, he cannot help us deal with our sin. If we meet him, we will still have to deal with sin, but he will help show us the way to do that (Gen. 3:21)

III. God has unfolded the whole plan and story of the Bible in order to restore things to how he originally intended them to be when he made man in his own image in Genesis. We can live lives today that have this kind of relationship with God that gives us peace, purpose, joy, and fulfillment. God is faithful to meet us each day if we are willing to meet him. We cannot let the enemy win and convince us that God wants anything less for us than lives that are 100% **full** in him!
