TEACHING CHILDREN AGES 6-11

5 years
TEACHING STUDENTS AGES 12-19

TEACHING AND MINISTRY LEADERSHIP

Youth and Discipleship Pastor
May 2025 - Present

Millheim Baptist Church · Akron area, Ohio

- Develop and teach biblical curriculum with clear explanations, practical applications, and resources students can use beyond the lesson.
- Established one-to-one student discipleship and developed curriculum for a churchwide one-to-one discipleship class.
- Mentor students and coordinate youth activities, outreach, communication, logistics, and volunteers alongside pastoral staff.

Youth and Evangelism Director
Apr 2022 - Oct 2025

Greentown Baptist Church · Uniontown, Ohio

- Created youth curriculum and recurring Bible studies connecting biblical teaching with students' everyday decisions.
- Designed evangelism training materials and trained hundreds of adults and students in communicating the gospel.
- Organized outreach, camps, retreats, and youth activities; coordinated volunteers and supported individual discipleship. Earlier evangelism leadership began in February 2019.

MISSIONS AND VOLUNTEER TRAINING

Mission Team Preparation Materials
2025

Portland mission preparation

- Adapted and prepared teacher and participant materials for a six-week mission-team preparation schedule in May and June 2025.
- Built instruction and practice around cultural context, gospel conversations, the A.S.K. approach, anticipated questions, roleplay, safety, and trip logistics.

Additional training work includes a three-week evangelism course, outreach preparation, booth evangelism scenarios, and volunteer practice materials.

From research to teaching

CURRICULUM AND PUBLISHED WORK

SELECTED CURRICULUM

Genesis to Revelation. 365 daily Bible devotions for children, with parent guidance, comprehension questions and answers, application, and prayer.

PLANTED Youth Curriculum. Twenty Root lessons, an introduction, and appendices forming a structured youth workbook. Copyright Millheim Baptist Church.

Principles from Proverbs. Twelve lessons across four units, with a teacher workbook and answer guidance for practical instruction.

Story of the Bible. Nineteen lessons across seven units tracing the Bible's narrative through its people, with teacher and student resources.

God's Words Preserved. Twenty-three one-hour sessions across two trimesters, with objectives, a syllabus, student exercises, and instructor answers.

BOOKS AND BIBLICAL RESEARCH

To Have and To Hold. Author and independent publisher of the original and expanded editions. Research on Bible history, manuscripts, textual questions, and preservation.

The Truth About the Israel Issue and The Truth About Calvinism. Coauthored and collaboratively edited with Caleb, Jadon, and Micah Johnston.

One Kingdom Two Names. Biblical-theology research examining the Kingdom of God, the Kingdom of Heaven, and the kingdom promised by the prophets.

PUBLISHING AND DIGITAL PRODUCTION

Author and Independent Publisher — Sep 2025 - Present
Bible books and teaching resources

- Research, write, revise, format, and prepare substantial resources for publication and classroom use.
